

Insta-Alert™ Employee Safety Alert System (Lone worker, Office, Campus & Industrial Applications)

(Timely alerts DO make a difference)

- ✚ Insta-Alert automatically sends alert notifications if a remote worker needs help
- ✚ Insta-Alert works with your existing Apple & Android-based smartphones – there are no additional cellular data or airtime costs
- ✚ **HELP & I-AM-OK** Buttons & Notifications
- ✚ Fall Detection & Notification
- ✚ GPS Tracking
- ✚ Hourly Check-in Timer (user enabled / disabled)
- ✚ Compact Size: 2.75 x 1.25 x 0.6 inches (includes internal re-chargeable battery)
- ✚ Works Worldwide & Easily Transferable

**Insta-Alert is NOT a Monitoring System
It is designed strictly to provide ALERTS**

**Made in the USA
Exported Worldwide**
